### Mokki Furniture for Boys & Girls

The Mokki range is modern, cosmopolitan and appeals to kids anywhere in the world. As the world becomes increasingly globalised, children are forging common cultural expressions and tastes in music, games and brands. Mokki reflects these global trends in its design and aesthetic.

The Mokki selection is designed to enhance your children's creativity and imagination while at the same time fostering a relaxing environment for homework and entertaining friends. And the furniture is designed for different age groupings generally from 3-5, 6-8, 9-12 and 13+ for girls and boys!
