More about Mokki!

Mokki's range of children's furniture is sold throughout America, Canada, Russia, Japan and the middle east.

We source from the best factories whose main concern is quality and safety!

The furniture is designed in Germany and the raw materials are sent to the Swiss SGS for testing making sure the products have no hydrocarbons , this test is necessary in furniture product especially children's furniture.

Finger chairs which come in a variety of funky colours have no toxic flame retardant used in the foam upholstery.

We have 45 rooms on display in our stores, every room caters for a different age group!
