## DIY Christmas decorations: salt dough hearts and stars

Kids love nothing more than getting their creative hands dirty with salt dough — it's the perfect way to make personalised decorations to hang on the tree!

### You will need:

- 120g salt
- 240g flour
- 120ml water

Now get started making those DIY Christmas decorations!

### Steps:

1. Put the ingredients in a bowl and mix until it forms a stiff dough.
2. Roll it out, then make impressions with small cookie cutters or stems from the Christmas tree. Cut out heart and star shapes from the dough, adding a hole for the ribbon to hang your handmade decoration.
3. Leave to air dry for at least a week (or pop in a cool oven for around 4 hours).
4. Thread ribbon through the decorations, then hang them up.
